

# Antioch Historical Society

## Be a part of History.

Your Antioch Historical Society marks the 50th anniversary of its formation and 25th year at the 1910 Riverview High School site. This year, with your help, the Society hopes to dedicate the bell tower, housing the 1872 Antioch First Congregation Church bell.

### *Let it Ring!*

The bell, cast in bronze by Meneely bell foundry of West Troy, New York in 1868, was shipped around the horn to Antioch. It rang out over 150 years from the bell tower of the First Congregational Church at the time of the City's 1872 incorporation.

The Society was fortunate to acquire the bell in 2021 and we consider it a precious historical artifact to be treasured and displayed for the community in the unique bell tower we had designed.

We invite you to sponsor the project by providing financial contributions or in-kind material or services to complete the project. As a sponsor your name will be permanently inscribed at the exhibit site.
